| Boiling Point: N/A   |  |   |                | Sp. Gravity (Water=1): N/A  |                         |                   |  |
| Vapor Pressure: N/A mm Hg @20°C  |  |   |                | Percent Volatiles by Weight: <1 %   |                         |                   |  |
| Vapor Density (Air=1): Undetermined  |  |   |                | Evaporation Rate (____=1): Undetermined   |                         |                   |  |
| Water Solubility: Soluble  |  |   |                | pH Range: 0.3% 9-10   |                         |                   |  |
| Appearance & Odor: White powder with lemon-mint odor   |  |   |                |   |                         |                   |  |
| <b>SECTION IV: FIRE &amp; EXPLOSION HAZARD DATA</b>  |  |   |                |   |                         |                   |  |
| Flash Point: >200° F Closed Cup  |  |   |                | Autoignition Temperature: Undetermined  |                         |                   |  |
| Flammability Limits: Non-Flammable   |  |   |                | LEL: Undetermined   |                         | UEL: Undetermined |  |
| Extinguishing Media: Carbon dioxide foam or dry chemical extinguisher  |  |   |                |   |                         |                   |  |
| Special Fire Fighting Procedures: None   |  |   |                |   |                         |                   |  |
| Unusual Fire & Explosion Procedures: None  |  |   |                |   |                         |                   |  |
| <b>SECTION V: HEALTH HAZARD DATA</b>   |  |   |                |   |                         |                   |  |
| OSHA Permissible Exposure Limit: Undetermined  |  |   |                | ACGIH Threshold Limit Value: Undetermined   |                         |                   |  |
| Carcinogen-NTP Program: None Established   |  |   |                | Carcinogen-IARC Program: None Established   |                         |                   |  |
| Primary Routes of Entry: Mouth and skin  |  |   |                |   |                         |                   |  |
| Medical Conditions Aggravated by Exposure: None known  |  |   |                |   |                         |                   |  |
| Symptoms of Heavy Acute and/or Prolonged Exposure:<br>Eye irritant, can cause temporary skin irritation.   |  |   |                |   |                         |                   |  |
| Emergency First Aid: If allergic reaction, remove to fresh air. If in eyes, flush with copious amounts of water and consult a physician. If on skin, wash with soap and water & consult a physician if a problem occurs. If ingested, induce vomiting and consult a physician. |  |   |                |   |                         |                   |  |
| <b>SECTION VI: REACTIVITY DATA</b>   |  |   |                |   |                         |                   |  |
| Stability: Stable  |  |   |                | Conditions to Avoid: None Known   |                         |                   |  |
| Incompatibility: None Known  |  |   |                | Materials to Avoid: Strong acids  |                         |                   |  |
| Hazardous Polymerization: Will not occur   |  |   |                | Conditions to Avoid: None known   |                         |                   |  |
| Hazardous Decomposition: None Known  |  |   |                |   |                         |                   |  |
| <b>SECTION VII: ENVIRONMENTAL PROTECTION PROCEDURES</b>  |  |   |                |   |                         |                   |  |
| Spill Response: Sweep up or scoop up   |  |   |                |   |                         |                   |  |
| Waste Disposal Method: Dispose in accordance with Federal, State and local regulations   |  |   |                |   |                         |                   |  |
| <b>SECTION VIII: SPECIAL PROTECTION INFORMATION</b>  |  |   |                |   |                         |                   |  |
| Eye Protection: Goggles recommended  |  |   |                | Skin Protection: Rubber gloves for prolonged contact  |                         |                   |  |
| Respiratory Protection: No special requirement   |  |   |                |   |                         |                   |  |
| Ventilation Recommendation: Normal   |  |   |                | Other Protection: None required   |                         |                   |  |
| <b>SECTION IX: SPECIAL PRECAUTIONS</b>   |  |   |                |   |                         |                   |  |
| Practices in Handling and Storage: Room temperature; closed container  |  |   |                |   |                         |                   |  |
| Precautions for Repair and Maintenance of Contaminated Equipment: Wash with soap and water.  |  |   |                |   |                         |                   |  |
| Other Precautions: Keep out of reach of children. Use only as directed.  |  |   |                |   |                         |                   |  |
