- use whole tab for strong odors, half for mild odors
- pleasing fragrance
- re-sealable 10 pack
- 12 packs per case

[A] SA-64 \$2.46 **\$2.29**

Bead Bags

Each bag contains 1 1/2 ounces of fragrance-containing beads, contained in an air permeable mesh bag. Used in air conditioning systems, buses, trucks, vacuum cleaner bags, clothes dryers and in other applications where air flow through the bag can pick up the fragrance! Extremely effective and easy to use. Total package plus beads is recyclable! Available in three fragrances! SOLD ONE PER PKG, 144 PKGS PER CTN.
